Can you imagine an 8 column, interior Directory 8' high x 8' long???

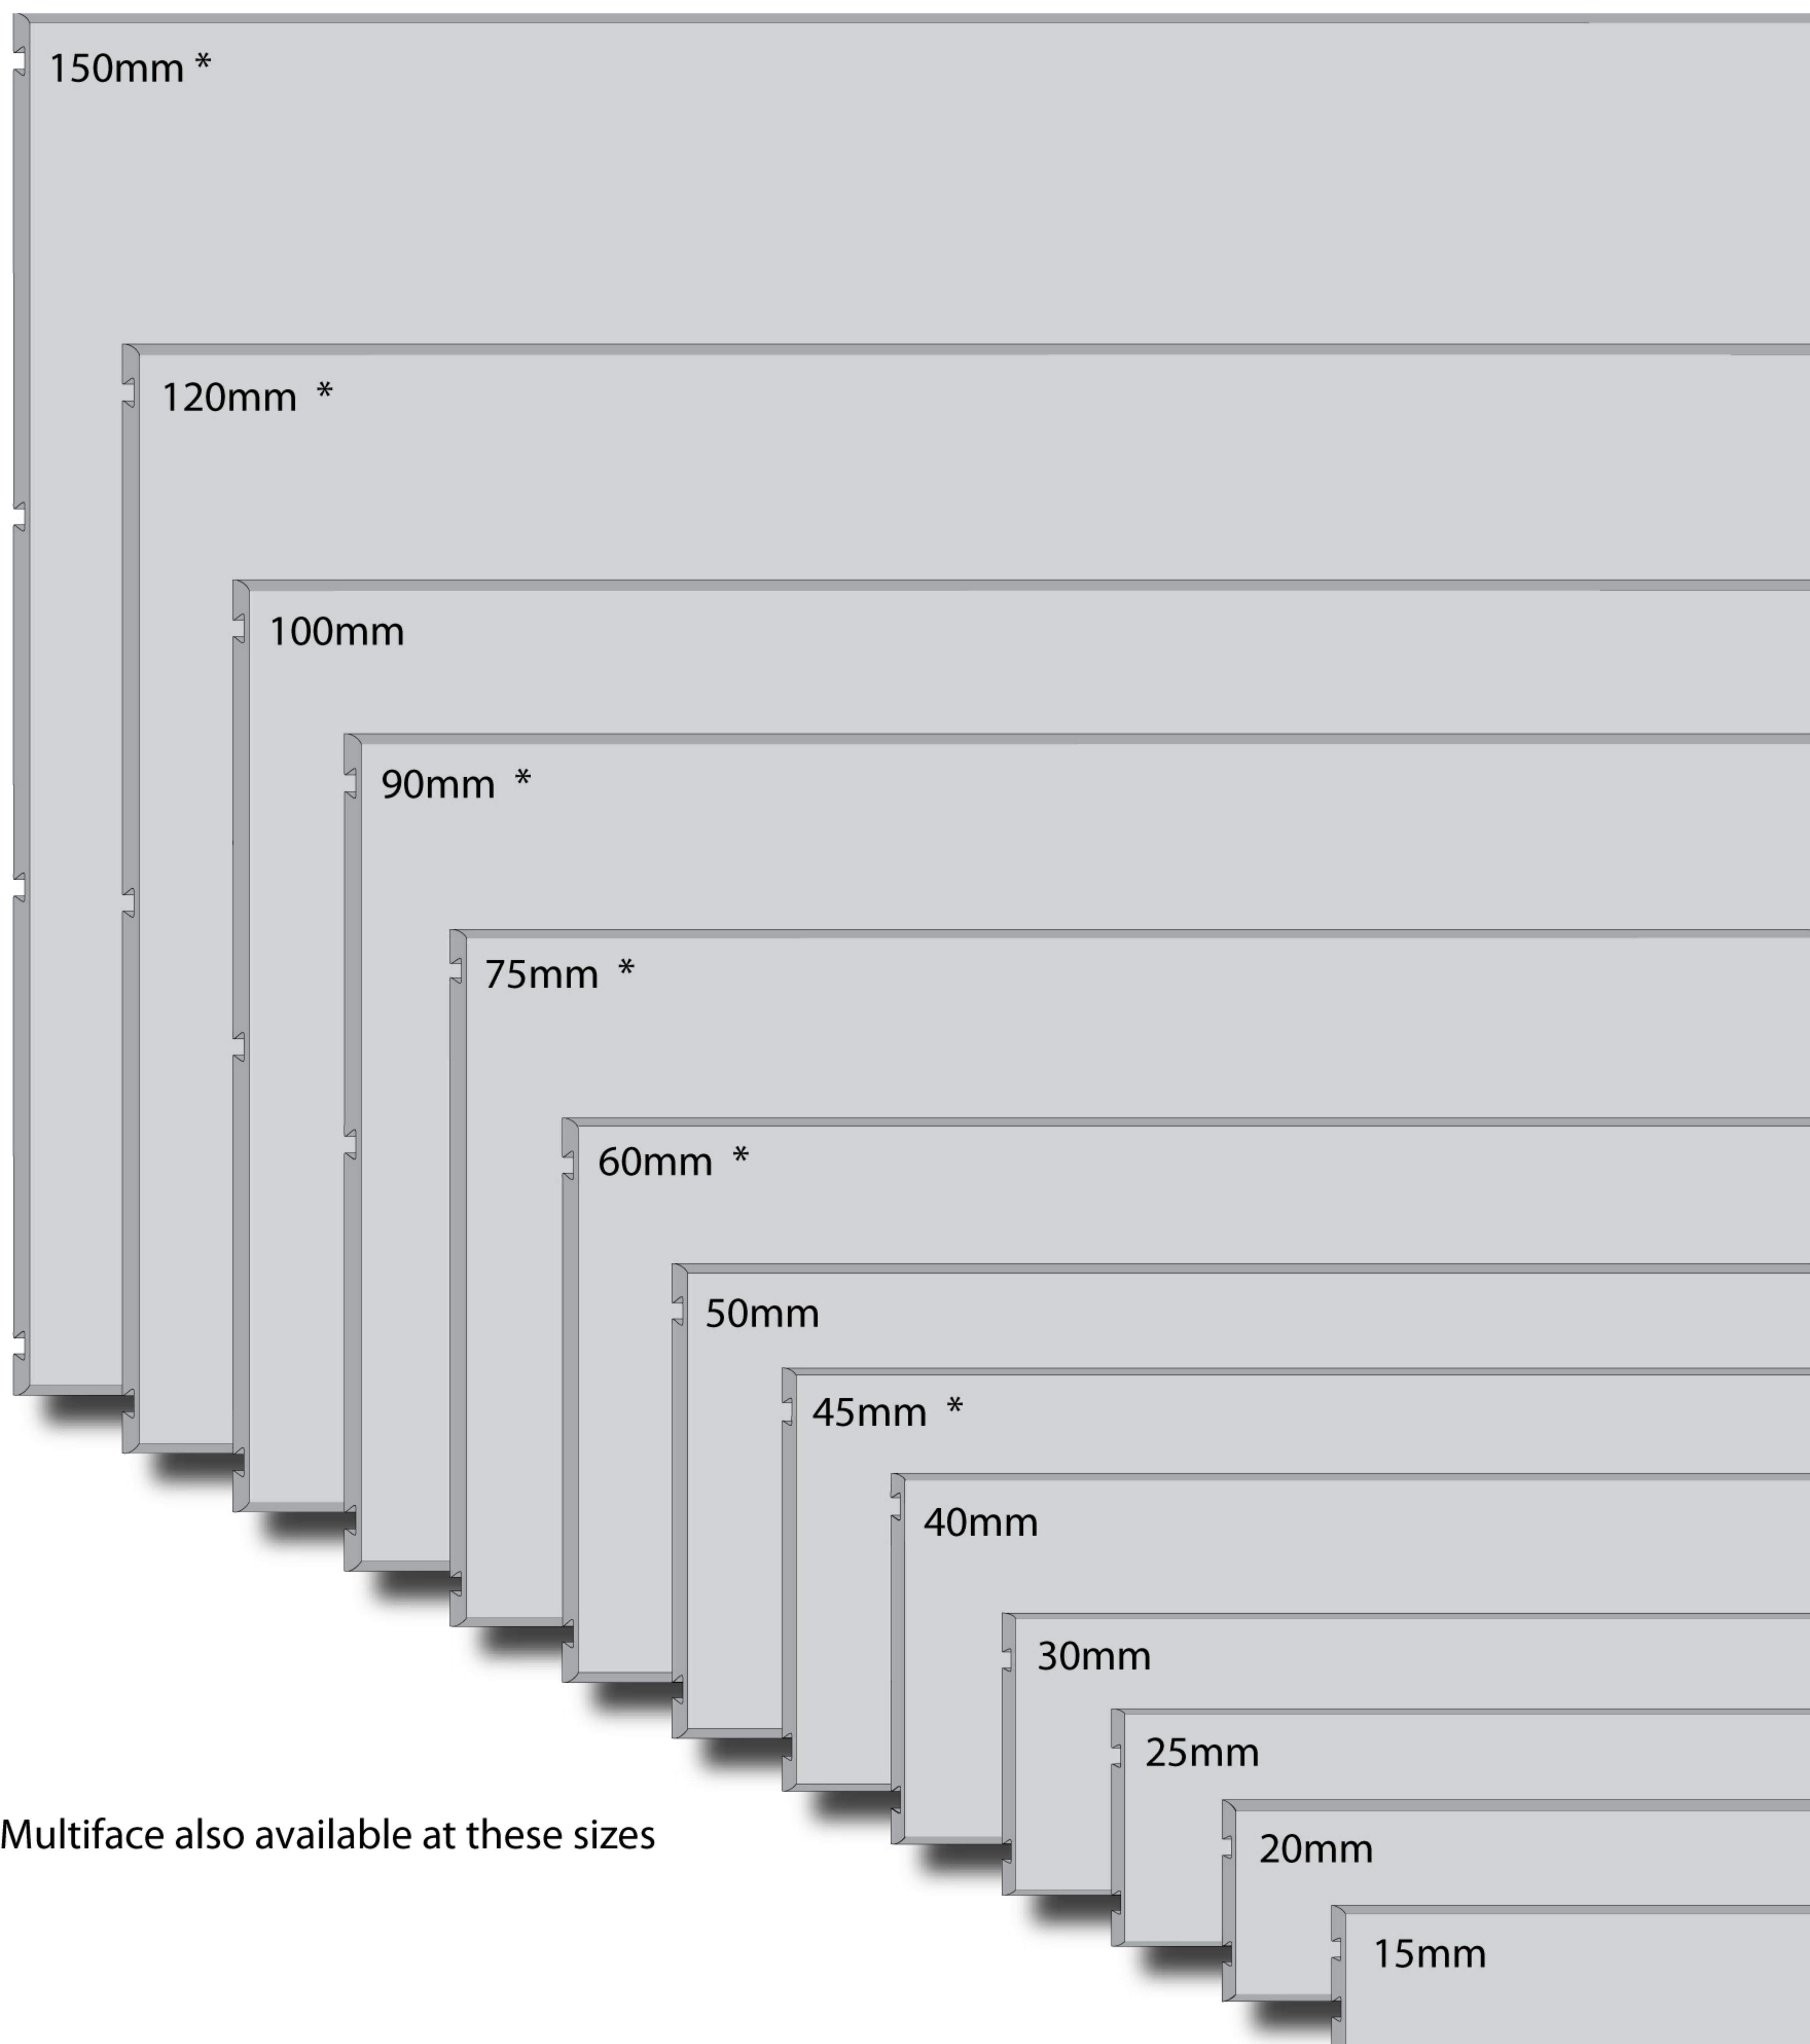

The **NEXUS Modular Sign System** can be manufactured in an endless range of sizes and configurations.

To start, choose from any of our 13 standard brushed aluminum faceplates or 6 multifaces*.

If the standards don't suit your needs, our **MetalPlates** and **NexPlates** are available in 5mm incremental sizes, from 20mm and up. Other materials/ colours are also available.

So, don't let a sign system limit your choices. If you can imagine it...we can build it!

Standard Extruded FacePlates

* Multiface also available at these sizes
