

The Trim Look

Single/MountPlate System

Copyright 2010 Nexus
All rights reserved.

- The Trim Look is the most basic of NEXUS signs.
- The faceplate and matching mountplate are joined to produce the sleekest of sign profiles.
- Ideal for nameplates and small directional signs, Trim Look signs are available in 13 standard sign depths.

On this page...

- FacePlates anodized clear, #400 brushed finish
- MountPlates anodized clear
- Black and Red vinyl graphics applied
